# THE COMPLETE PACKAGE

Reborn and rebuilt from the ground up, the All-New Mazda BT-50 is here. A whole new level of versatility and performance has been achieved through a relentless pursuit of challenging what's possible.

Innovation greets you at every turn with more features at your disposal than ever before. Bold, balanced, stylish and capable, the All-New Mazda BT-50 truly is the complete package.

**ALL-NEW MAZDA BT-50**

*IDENTIFIES AS MORE THAN A BAKKIE*

# BUILT TO PERFORM AND IMPRESS

The All-New Mazda BT-50 is about more than just performance, its impressive design fits in perfectly with the rest of the Mazda range. Built solidly with elegance from the ground up, its ladder frame chassis provides reinforcement for maximum rigidity. This gives it stability, while its sleek lines ensure it has an air of sophistication rarely seen in its class.

Built to take on any task in style, the All-New BT-50 delivers as a luxury sedan, a stylish weekend getaway SUV and a hard-working bakkie. How you harness the power is up to you.

## A BOLD DESIGN LEVEL

The exterior design of the All-New Mazda BT-50 is a true expression of Mazda's KODO – Soul of Motion design philosophy. The confident, planted stance projects strength, capability and uncompromising quality.

### SMART STORAGE

When it comes to the storage space inside the cabin, the All-New BT-50 is full of surprises. From a double glove box, one of which is lockable, to generous 1.5L bottle holders and an additional storage area in the front centre console.

### TECHNOLOGY WITH CLASS

The very latest in technology starts with the large 9\*-inch touchscreen display that puts everything you need at your fingertips.

\*Standard on Dynamic and Individual models.

### EXPANSIVE AND STYLISH

As you enter the comfortable, spacious and durable cabin, you'll be immersed in the highest quality of Mazda design. Soft seats wrap the driver and passenger alike with a sense of control and calm.

# STRONG AND SLEEK

Looks are just the beginning with the All-New Mazda BT-50. Built for fun and hard work, the exterior is bold and adventurous but finished with refined features. Styled with elegance to match its solid capabilities, this double-cab has a powerful and commanding street presence.

## PACKAGED PERFORMANCE

Combining the innovative technology and off-road capability, the All-New Mazda BT-50 delivers unparalleled versatility and dependability. The 3.0L 4-cylinder diesel engine delivers 140 kW of power and 450 Nm of torque in the 6-speed automatic transmission, while using as little as 8.0L/100 km\*\* fuel. Backed up by a braked towing capacity of 3,500 kg payload capability of up to 1,095 kg and a host of features for the dedicated four-wheel driver, available on the Individual model, this double-cab is the complete package.

## UNCOMPROMISING SAFETY

The All-New Mazda BT-50 offers a high level of safety across the range with a suite of the latest advanced safety technologies. Standard safety features include: Auto door lock, Trailer Sway Mitigation (TSM), Roll Over Mitigation (ROM), Hill Launch Assist (HLA), Hill Descent Control (HDC), Reverse Camera, Keyless Entry and ISOFIX. You'll also enjoy the confidence of a 7-airbag protection system.

## INTUITIVE TECHNOLOGY

Smart connectivity technology, like Android Auto™ and wireless Apple CarPlay®, keeps you connected to a world of functionality and entertainment. Essential information is also delivered to the instrument panel, helping you keep attention on the road, while the sound system features two innovative roof speakers\* that deliver powerful, crystal-clear audio for you to enjoy.

\*Only available on Dynamic and Individual models.

## SPEAKERS

Boost your mood in the All-New BT-50 by surrounding yourself with high-quality sound delivered by 6 first-class speakers in the Active and 8 speakers in the Dynamic and Individual models, which can all be conveniently controlled with the steering wheel-mounted audio controls.

## ALWAYS EXPECT MORE

Power, strength and capability. Whether it's navigating new terrain, carrying serious cargo or towing a few tons, the All-New Mazda BT-50 consistently delivers more. The new two-tone alloy wheel design gives the All-New BT-50 a unique and striking look. LED headlamps and fog lamps punctuate the completely redesigned front grille while sculpted side panels draw the eye to the bold rear presence.

\*\*Fuel consumption figures are based on ADR 81/02 test results, which are useful in comparing the fuel consumption of different vehicles but may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

## MAZDA BT-50 1.9L ACTIVE 6MT & AT 4X2

### 1.9L ACTIVE FEATURES INCLUDE:

- Max power (kW): 110
- Max torque (Nm): 350
